From The Head of School

As for the rich in this present age, charge them not to be haughty, nor to set their hopes on the uncertainty of riches, but on God, who richly provides us with everything to enjoy. They are to do good, to be rich in good works, to

be generous and ready to share, thus storing up treasure for themselves as a good foundation for the future, so that they may take hold of that which is truly life.

O Timothy, guard the deposit entrusted to you. Avoid the irreverent babble and contradictions of what is falsely called "knowledge," for by professing it some have swerved from the faith. 1 Timothy 6:17-24

As we head into the final stretch, also the busiest part of the school year, I want you to know that the OCS School Board prays for you daily. We understand the challenges you face as parents and want to support you in any way we can.

In 1 Timothy 6:17-21, Paul reminds us not to put our hope in wealth or material possessions but to put our hope in God, who richly provides us with everything for our enjoyment. He also encourages us to guard the deposit of faith that has been entrusted to us and to avoid the empty chatter and contradictions of what is falsely called knowledge. That truth will preach and is such an appropriate warning for our times.

As you navigate the demands of the upcoming months, may you find peace and strength in knowing that Christ is with you every step of the way. We are here to support and pray for you, and we know that the Lord will guide you in leading your school with wisdom and grace.

Soli Deo Gloria.

5TH GRADE SPOTLIGHT

Favorite Subjects

Science

The students take science very seriously. They like anything involving the ocean. If it involves animals they are engaged and enthusiastic.

Their favorite thing to do is a speed search through each new chapter. They made travel brochures that were incredibly fun to read.

History

The class has a deep interest in historical figures and government. They love to count the presidents from 1-17. They also have a running joke about the presidential cabinet and the cabinets in our room

They are very upset by civil rights issues in history and love to apply scripture to think of solutions that would have been better.

Fun Facts

- This class is made up of 12 boys and 7 girls
- We have 9 youngest siblings, 7 oldest siblings, 1 middle child, and 2 only children
- Our highest class average grades are in Bible
- We have 14 students that play sports after school
- Their favorite academic game is test review Jeopardy
- Their favorite athletic games is doctor doctor dodge ball
- They love to share their writing outload
- This class likes to sing and they work better with worship music in the background

Bible

This year we have have done a deep dive into Jesus' ministry primarily using the books of Matthew and Luke.

The curriculum does a wonderful job connecting old testament prophecies to the new testament fulfillment of prophesy through Jesus.

English

English has been an adventure. We have discussed advanced verbs, prepositional phrases, diamante poems, sense poems, 5 paragraph essays, quick writes and short creative writing assignments.

They seem most attached to and interested in their own creative writing. Up next is personal narratives and proper citation methods.

How to Create a Tech-Ready Home: Embracing the Tension between Careful, Countercultural, and Confident (Parents and Caring Adults, 14+)

On April 11, OCS is hosting a seminar for parents titled "How to Create a Tech Ready Home". The seminar starts at 7 pm in the EFC sanctuary and is open to the public. The cost is free, and childcare will be provided. As a convenience, dinner and childcare is available

Although it's not possible to create an internet-safe home, it is possible to create one that is internet SAFER. After well over a thousand presentations to parents, grandparents, and caregivers just like you, and countless conversations, we've observed what it takes to have kids learn to use technology well. And we call it the PYE Core Values. This presentation breaks down these 5 foundational ideas. Do you know what's better than any parental control? Do you know why your router is the most important digital device in your home? Do you understand the toxic trio? Do you know why TikTok is so intoxicating to young brains? Get ready for a ton of practical tips, solutions, and ideas you can implement right away. Our desired outcomes include:

- A deep understanding of why multiple layers of protection are necessary and how they work together.
- Awareness of the hardware and software tools that support your digital goals.

HOW TO CREATE A TECH-READY HOME
Embracing the Tension between Careful, Countercultural, and Confident

Hosted by:
EFC Oroville
